

## Newton's Laws Foldable

Your task today is to make a study guide using Newton's Laws. This foldable will also count as a quiz grade. Please make sure that you follow the format of the example and write legibly! Please feel free to ask any questions.

- Your foldable should have 4 tabs
- Each tab should define the Law
- Include a picture representing the Law
- Have a description explaining the picture
- Include any relevant formulas

Each of the Laws to be included in the foldable are listed below.

1. Newton's Law of Universal Gravitation
2. Newton's 1<sup>st</sup> Law Motion
3. Newton's 2<sup>nd</sup> Law Motion
4. Newton's 3<sup>rd</sup> Law Motion
